CRUISE & WALK - The Fastest and Easiest Way to Wineglass Bay

WINNER
15
AUSTRALIAN
TOURISM
AWARDS

BEACH TRANSFERS
Hazards Beach | Cooks Beach | Schouten Island

The Hazards mountain range provides a stunning backdrop for our aqua taxi service.

Discover Freycinet National Park by Land and Sea

Freycinet National Park is a place of dramatic beauty, where the rugged granite coastline meets turquoise waters and pristine white sand beaches. The iconic Wineglass Bay (regularly voted as one of the world's top ten beaches) is recognised globally for its curvaceous white beach with the Hazards mountain range providing a breathtaking backdrop.

Most explore this iconic spot via the challenging 3km Wineglass Bay Lookout Walk, complete with over 1,300 steep stairs one way. Our aqua taxi service gives you a unique opportunity to see the Park from a different perspective. Enjoy the beauty of Freycinet not just by foot, but by water. Freycinet Aqua Express allows you to tailor your journey, offering a return coastal transfer with an easy bushwalk or a one-way trip so you can experience one of the Park's incredible walking trails.

Our passionate team is excited to be part of your Freycinet adventure and help you fully discover this magical region.

TASMANIAN

Freycinet Aqua Express is the fastest and easiest way to Wineglass Bay Beach. Cruise and walk in just one hour.

Enjoy a scenic 30-minute cruise along the striking granite coastline of Great Oyster Bay, while our local guides share fascinating stories about the area's history and wildlife. Keep your eyes peeled for seals, seabirds, dolphins, and even migrating whales who might pop up to say hi!

Upon landing at Hazards Beach, it is a gentle 2-kilometre bushwalk along the Isthmus Track to Wineglass Bay. This 30-minute walk takes you through classic Australian bushland, where you'll have a chance to spot native flora and fauna along the well-marked trail. Keep a lookout for friendly echidnas and wallabies as you make your way to the soft white sands and crystal-clear waters of Wineglass Bay.

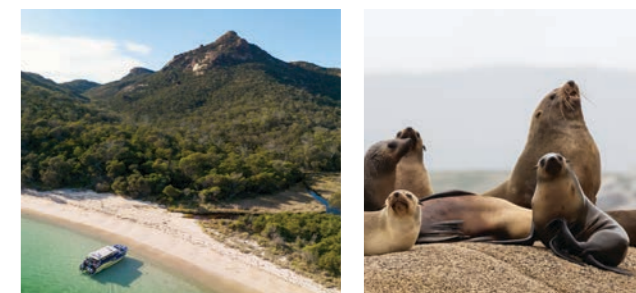

GETTING THERE

Freycinet Aqua Express departs from the Coles Bay Boat Ramp, Garnet Avenue, Coles Bay with Freycinet Lodge pick up available. Pre-bookings are recommended with last minute bookings welcome. Guests are required to be at departure points 15 minutes prior to scheduled departure.

Be sure to pack your beach gear and a picnic. We recommend taking a few hours to unwind on the pristine beach and dip your toes in the sparkling sea before heading back to Coles Bay by boat from Hazards Beach or bushwalk via Hazards Circuit or Wineglass Bay Lookout routes.

Freycinet Aqua Express provides a one-way or return water taxi service to Hazards Beach with multiple departures daily. We also provide a daily departure to Cooks Beach and Schouten Island, with both locations popular for overnight camping and bushwalking.

Discover Schouten Island: A Perfect Half-Day Escape

For day trippers, Schouten Island's secluded Crocketts Beach offers an ideal half-day adventure. We disembark directly onto the pristine white sands, where you can relax or explore. Bring your snorkel to explore the calm, crystal-clear waters, or enjoy a peaceful beach day.

For those seeking adventure, a short one-hour return hike to Bear Hill provides stunning views of the Freycinet Peninsula. With no human habitation and accessible only by boat, Schouten Island is a tranquil sanctuary well worth exploring.
